

## best interior design ideas for your home in 2014

Log in March 2014 [@full.globe](#) [Hélène decoratina](#) [home furniture](#) [No comment](#)  
 Design Promotion is pleased to announce the results of the competition in 2014. In initiative contest to reward the most original and innovative design products. The winners are:

UNID ALESSIA PERINI LUCA (ALPESTUDIO)  
 ANDREA REKALIDIS  
 GARY AND Berche NATACHA KOPEC (KNGB)

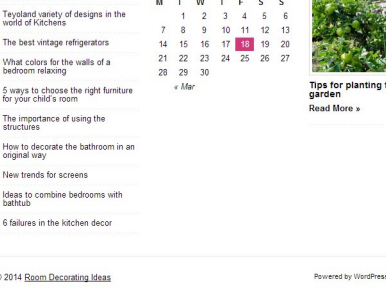

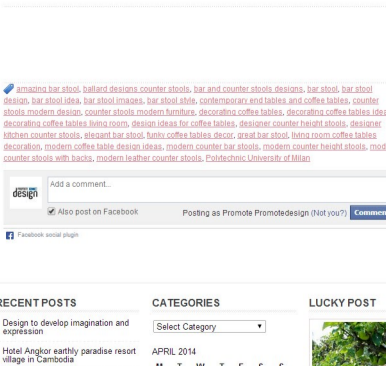

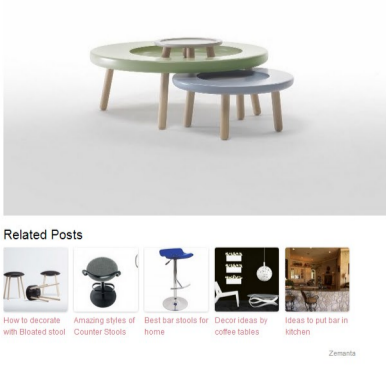

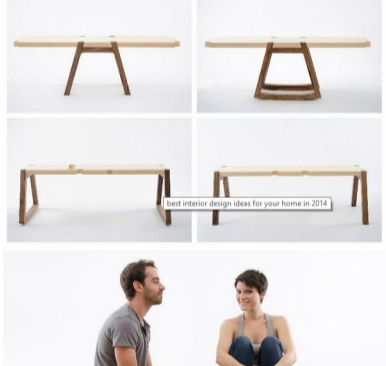

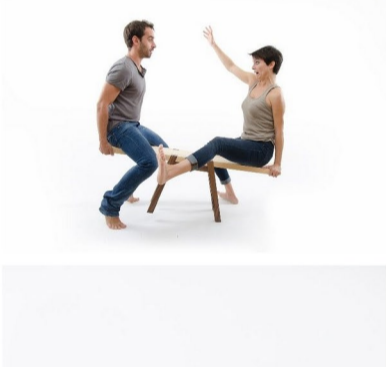

The winners will be awarded independent designers a separate area of the exhibition hall to promote design for the entire period of Fuorisalone 2014 (8 - April 13, 2014).

Berche Gary Kopec and Natasha are two guys who studied at the Accademia di Belle Arti di Brera in Milan, and subsequently moved to France to pursue design. They founded the design studio and communication "Kngb". This project presented is called an asymmetric FARO and shadow, so give Projector Projection "style" light or "light".

The leather handle makes adjustable shade, so you can create the desired atmosphere lighting and without the use of complicated mechanisms. The [leacon light](#) is a combination of craftsmanship and innovation.

The brothers Mohamed and Luca Perini studied at [Milan Polytechnic](#), alternatively different experiences in Italy and abroad. In 2006 they founded Alpe study dedicated to industrial design, interior design, architecture and graphics.

HAMID is a coffee table that the strength of your plan contains two other elements which, together with the special support of different sizes can be: tray, bowl, pot, coffee table, stool and pouf. The added value of the project is able to compose and decompose flavor elements by time and user.
