

Tiziana Redavid @ DIN FUORISALONE 2014 – Milan

During the Fuorisalone 2014, Din – design in will host Artistar Jewels Temporary Shop dedicated to contemporary jewelry handmade by excellent representatives of the industry. A selection of genuine original and unique creations to wear born by the inspiration of some of the artists community artistar.it. During the opening days of the Exhibition, from 8 to 13 April, the area intended the display and sale will be able to purchase items made by skilled craftsmen, creations and limited edition pieces. Variety of shapes, materials, models and prices, narrated and presented directly by practitioners who have them packaged. Selected collections of jewelry, bracelets, necklaces, earrings, rings and brooches reveal, between lines and sinuous curves, a wide range of works, the expression of an elaborate artistic experimentation.
